

## A Lovely Hair Band with an Organza Flower

Lovely hair accessories which are super easy to make. The flower gets its lifelike shape by melting the edges of the organza with a heat gun.

**1**

Cover the hair band with power tape and wrap around with Grosgrain Ribbon.

**2**

Cut circles of organza fabric and warm the edges with a heat gun until they begin to shrink.

### **3**

Sew the organza pieces together and also sew on some Howlite beads. Quick, easy and really lovely.
