

Let the party start

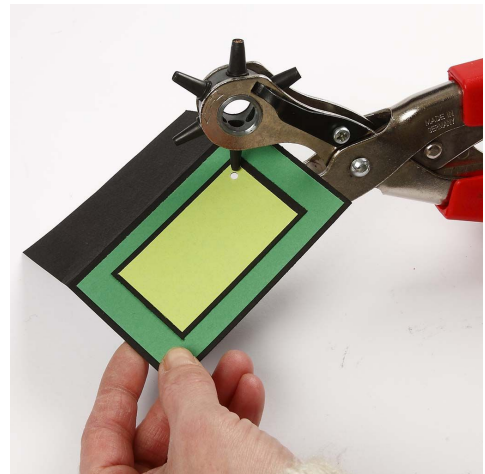

A black card decorated with ribbons, footballs and card in two shades – the colours of the card may of course be adapted to your favorite team. Finally, both the red and yellow cards are attached with football brads.

Inspiration: 11507

1

Start by cutting all the parts out of card. The text can be typed on the computer before cutting.

2

Punch a hole in the red and yellow cards and attach them to the card with a football brad. You may attach a foam pad in one corner of the yellow card. It sets it off from the actual card.

3

Attach the ribbon using special double-sided adhesive tape.
